

### **Marketing Materials Disclaimer**

The contents in this presentation/document are intended for informational and educational purposes only and are not intended to act as medical advice, diagnosis, or treatment. This information should not be used to diagnose or treat a health problem or disease, or substitute professional medical care in any way. Reliance on information on this presentation/document is purely at the reader's risk. If you think you may have a problem with your health, please contact your healthcare provider.

The information in this presentation/document cannot guarantee the results of any plan, program, or product. Results may be greater or less than those depicted on this presentation/document and can be influenced by your diet, lifestyle, general health, and many other factors. Any testimonials or examples given on this presentation/document are not intended to represent or guarantee that anyone will achieve the same results or have the same experiences and should therefore not be considered a typical experience.

The contents of this presentation/document, including without limitation all information and materials, images, illustrations, data, drawings, names and any other such materials that appear in this document are the sole property of Itamar Medical Ltd. and its Affiliates ("Itamar"), including any intellectual property rights, whether registered or not, and all know-how contained or embodied therein (together the "Content"). Itamar may alter, remove, or change the Content without any further notice. You may not reproduce, copy, modify, create derivative works from, sell or participate in any sale of, or exploit in any way, in whole or in part, this presentation/document or its contents. Only Itamar or its licensees have the right to use this presentation/document and its contents. Any unauthorized use, disclosure or reproduction is a direct violation of Itamar's proprietary rights.
